We're excited to celebrate the first cohort of our Facilitator Certification Program! Over four days, participants practiced core facilitation skills using custom-designed guides, decks, and tools. Thanks to our guest co-facilitators for modeling their expertise. Many graduates plan to continue as Facilitation Partners in our next phase!

MANAGER'S CORNER

Lead with Insight. Decide with Data.

Accelerate your team's impact with data-driven precision. In just one day, our dynamic, hands-on workshop equips leaders with the strategic mindset and practical skills to harness data for smarter, faster decisions. From defining a powerful data vision to creating insightful Power BI dashboards—unlock the tools to lead with clarity and confidence.

Join us for the **Data Vision and Data Decision Making** training on **September 23 & 25th**. Register on **SumTotal** today.
